ISSUED: June 9, 2011

By The Commission:

In the Order on URТА Motion to Dismiss Pole Attachment Issues or for Alternative Relief, issued June 1, 2011, the first sentence of the section entitled Discussion, Findings, and Conclusions currently reads as follows: “We conclude URТА and the other proponents of the motion have not established grounds for dismissal of the testimony.”

That sentence is hereby changed by adding the words “...of the pole attachment issues and striking...” immediately following the word “dismissal.” As a result, the complete sentence now reads” “We conclude URТА and the other proponents of the motion have not established grounds for dismissal of the pole attachment issues and striking of the testimony.”
