Re: Rocky Mountain Power 2010 General Rate Case, Docket No. 10-035-124.

As a follow-up to the 2010 Stipulation on Cost of Service, Rate Spread and Rate Design, the Division of Public Utilities (Division) requests that a technical conference be noticed and held in order to discuss outstanding issues. The 2010 Stipulation on Cost of Service, Rate Spread and Rate Design, item 7 a, stated that “The Division agrees to request that the Commission schedule one or more technical conferences in this docket prior to the end of 2011 so that interested parties can explore issues, calculation methodologies and policies relating to residential customer charges and minimum bills.” The Division consulted with the Office of Consumer Services regarding scheduling this technical conference. The Division and Office request one of the dates of January 23, 25, 26, or 30, 2012, for the technical conference.
