Re: Docket No. 10-035-128: Rocky Mountain Power Cool Keeper Program, Schedule  
No. 114 White-Rodgers Malfunctioning Programmable Thermostat

Dear Mr. Larsen:

The Public Service Commission (“Commission”) has reviewed the letter from Rocky Mountain Power (“Company”) filed December 22, 2010, regarding proposed corrective action for the potentially malfunctioning programmable thermostat. The Commission has also reviewed the February 24, 2011, memorandum of the Division of Public Utilities (“Division”) recommending the Commission acknowledge receipt of the Company’s filing.

The Commission hereby acknowledges receipt of the December 22, 2010, filing. The Commission directs the Company to monitor the progress of the corrective action plan described in the filing and to inform the Commission, Division, and the Office of Consumer Services when the plan has been fully implemented. If implementation is not completed within ninety days of the date of this letter, please report implementation status on that date and the schedule for completion.

Sincerely,

/s/ Julie Orchard  
Commission Secretary
