2 CHAIRMAN BOYER: Again, we're still on the
3 Docket 10-035-13, and this is the time and place duly
4 noticed for the hearing of members of public in the
5 Major Plant Addition Case. Ms. Schmid had a
6 correction to make to something she said earlier.

7 MS. SCHMID: Yes. The Division did have
8 independently filed testimony from Mr. Slater, not
9 just testimony attached to Mr. Peterson's testimony
10 as exhibits. Mr. Slater's individual testimony is
11 marked as DPU No. 3.0 with exhibits 3.1 and 3.2. I'd
12 like to move the admission of those as well.

13 CHAIRMAN BOYER: Okay. They are also admitted
14 then. There's no one to object. I see it's on the
15 reverse side of your exhibit list.

16 MS. SCHMID: Yes.

17 CHAIRMAN BOYER: Okay. Seeing no members of the
18 public here, we're ready to conclude this hearing.
19 We deliberated, and we do approve the Stipulation as
20 filed, and we will prepare the Order in this case.
21 And it should be coming in the near future. We've
22 got a couple Orders out here in the last day or so.
23 Thank you all for your participation and for working
24 out the settlement.

25 MS. HOGLE: Thank you.
