RE: Complaint of Cottonwood Hydro, LLC vs. Rocky Mountain Power, Docket No. 10-035-15

ISSUE (Request for time extension in above Docket)

In a letter dated January 26, 2010, Cottonwood Hydro, LLC (Cottonwood) requested agency action regarding a Schedule 37 contract in which PacifiCorp dba Rocky Mountain Power (Company) asserted claims to any renewable energy credits (REC) that might result from the operation of Cottonwood's 850 kW hydroelectric facility. On March 10, 2010 the Commission issued an Action Request to the Division with a due date of April 12, 2010. The Division has learned through its counsel that the Company intends to file a response to Cottonwood's claims sometime during the afternoon of April 12, 2010. The Company will be filing its response thirty days from the date the Commission logged in Cottonwood's claim.

Therefore, the Division requests that its response to the Commission in this Docket be extended two weeks to April 26, 2010 in order that the Division has time to evaluate the Company's position.
