TO WHOM THIS MAY CONCERN:

Our names are Mike & Doreen Outzen. We have lived in Tooele Valley and primarily on the East Bench of Tooele for most of lives. We have raised our children here, gone to schools here and as many others have Stated, enjoyed this beautiful Tooele Valley we call HOME! For a short time we moved our family to Southern California and enjoyed the beauty & experiences there as well. We returned to Tooele because we missed the Peace and quiet and especially slower pace of life! As we remember looking back, traveling back and forth from Tooele to California at no time did we ever experience changes in the scenery such as construction, commercial Development or even worse natural disasters. In other words nothing changed that took away from what we Believe DEFINES THE NATURAL BEAUTY OF OUR VALLEY, ESPECIALLY THE MOUNTAINS THAT SURROUND OUR WHOLE AREA!

We have always had a "DREAM" of building our home near the mountains

and wildlife on the East benches

Of Tooele. Also my (82) YEAR OLD MOTHER WANTED TO buy a new home on the north east side of Tooele.

One year after building our "Dream" home and my Mom moving into her beautiful home with a view of the

Mountains that are so-so, beautiful we hear of RMP'S Dream! Needless to say it is not in our vision of what

TOOELE IS , NOR DEFINES OUR VALLEY AS WE NOW KNOW IT!

If the changes were to come about by the forces of nature , this would be HORRIBLE, but there would be nothing

That we could do to prevent this! Tell me please ,Why anyone would purposely destroy something so beautiful

And that means so much too so many residents of this community.

So easily destroyed forever by the Force of a utility that seems to have the power to bring about

These deeds! When do these kind of actions stop! Does RMP work for the good of the PUBLIC!

OUR COMMUNITY AND CITZENS HAVE SPOKEN LOUD AND CLEAR!

Please, I ask you to make the right Decision, Help us to save the Beauty of this Tooele Valley that could be LOST
To us forever!

Thank You,

Sincerely,

Mike & Doreen Outzen & Family
