Re: In the Matter of the Rocky Mountain Power Utah Demand-Side Management
2011 Semi-Annual Forecast
Docket No. 10-035-57

Dear Ms. Son:

The Commission has reviewed the proposed Demand-Side Management Report filed on May 2, 2011.

It appears that both the Division of Public Utilities and the Office of Consumer Services have reviewed the report and have no objections to it. The Division recommends acknowledgment and the Office recommends no action be taken with the balancing account at this time. Based on the recommendations of these two divisions, the Commission acknowledges the filing of the Demand Side Management Report.

Sincerely,

/s/ Julie Orchard
Commission Secretary
