RE: Docket No. 10-035-57 Rocky Mountain Power's Utah Demand-Side Management
Semi-Annual Forecast for 2013.

Dear Data Request Response Center:

On November 1, 2012, PacifiCorp ("Company"), d/b/a Rocky Mountain Power filed its 2013 Demand Side Management ("DSM") Semi-Annual Forecast Report ("Report"). On March 1, 2013, the Commission issued an Order in this Docket directing the Company to file supplementary information reporting savings estimates for the 2013 DSM Irrigation Load Control program both in terms of total program participation and contribution to peak. On April 3, 2013, the Company filed this supplementary information.

The Utah Division of Public Utilities ("Division") and the Utah Office of Consumer Services ("Office") reviewed both the Report and Company's supplementary information and recommend the Commission acknowledge the Report.

Based on the Division's and the Office's recommendations, the Commission acknowledges the 2013 DSM Semi-Annual Forecast Report as being in compliance with the Commission Order of August 25, 2009, in Docket No. 09-035-T08 approving the Phase I Stipulation.

Sincerely,

/s/ Gary L. Widerburg
