Subject: Application of Rocky Mountain Power for Alternative Cost Recovery for Major Plant Additions of the Populus to Ben Lomond Transmission Line and the Dunlap I Wind Project, Docket No. 10-035-89.

Date: August 11, 2010

Rocky Mountain Power (Company) has requested that the Utah Public Service Commission (Commission) approve its application for alternative cost recovery for a major plant addition. The Company filed for approval of alternative cost recovery on August 3, 2010.

The Commission issued an action request in response to the Company's application for alternative cost recovery on August 9, 2010 in Docket No. 10-037-89. The Division notes that the correct docket is Docket No. 10-035-89. The Division issued a memo to the Commission on August 9, 2010 asking for a Scheduling Conference in the above Docket. The Division will participate according to the Scheduling Conference and requests the Commission close the action request.
