**Errata Testimony of  
Brenda Salter**

**For the Division of Public Utilities  
Department of Commerce  
State of Utah**

**November 2, 2010**

1 **Q. Please state your name and occupation.**

2 A. My name is Brenda Salter. I am employed by the Division of Public Utilities of the Utah  
3 Department of Commerce as a Utility Analyst.

4  
5 **Q. Have you submitted Direct Testimony in this proceeding?**

6 A. Yes. I submitted Direct Testimony on October 26, 2010.

7  
8 **Q. What is the purpose of your Errata Testimony?**

9 A. I am filing this errata testimony to make a correction to my direct testimony on page 14  
10 lines 258 through 261 where I state the Division's recommended incremental adjustment to  
11 the Utah portion of PacifiCorp's rate base in this case. I am also correcting the Division's  
12 calculation of the Utah portion of capital expenditures for the Populus to Ben Lomond  
13 transmission segment and the Dunlap I Wind project as presented in my testimony on page  
14 14 lines 266 through 270.

15  
16 **Q. Please discuss the correction in more detail.**

17 A. The corrected amount the Division proposes for the Utah increment to PacifiCorp's rate  
18 base is \$305.1 million, which is based on the Populus to Ben Lomond transmission  
19 segment amount of \$211.9 million and the Dunlap I Wind segment of \$93.2 million. The  
20 Division presents these costs are just and reasonable and in the public interest.
