BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of Rocky Mountain Power for Alternative Cost Recovery for Major Plant Additions of the Populous to Ben Lomond Transmission Line and the Dunlap I Wind Project	Motion of the Division of Public Utilities to Amend Scheduling Order to Extend Time for Filing Rebuttal Testimony and Sur-rebuttal Testimony, and to Allow Additional Time for Filing Responses to the Motion to Strike Pre-filed Testimony
--	---

Docket No. 10-035-89

Because the parties are engaged in productive settlement discussions, the Division of Public Utilities (Division) moves the Public Service Commission (Commission) to amend its September 15, 2010 Scheduling Order in this docket to allow additional time for the parties to file Rebuttal Testimony and Sur-rebuttal Testimony, and also moves the Commission to allow additional time for the parties to respond to Rocky Mountain Power's (Company) Motion to Strike Prefiled Testimony (Motion to Strike). The Division represents that the Company, UIEC, and UAE support the Division's motion. With the exception of the Office of Consumer Services, which the Division believes will file its own motion, no party has informed the Division of any opposition to this motion.

The Division requests that the Commission change the deadline to file Rebuttal Testimony from November 18, 2010 to November 22, 2010, and change the deadline to file Sur-rebuttal Testimony from November 30, 2010 to December 1, 2010. Additionally, the Division requests that the Commission extend the time to file responses to the Company's Motion to Strike from November 22, 2010 to November 29, 2010. No other changes to the Scheduling Order are proposed at this time. The Division requests expedited consideration of this request due to the schedule.

Respectfully submitted this _____ day of November 2010.

Patricia E, Schmid
Attorney for the Division of Public Utilities
