Re: Docket No. 10-035-97 – Technical Conference Questions

Dear Mr. Widerburg:

Attached are the Data Requests that URITA previously served on Rocky Mountain Power (and all parties hereto) for discussion purposes at the April 26, 2012 technical conference. While the documents were served on RMP and all parties on April 13, 2012, as required by the Notice of Technical Conference, we inadvertently did not *file* them with the Commission.

If you have any questions or concerns, please do not hesitate to contact me.

Very truly yours,

BLACKBURN & STOLL, LC

Kira M. Slawson
