Attorney for Crown Castle NG West Inc.

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Consolidated
Applications of Rocky Mountain Power for
Approval of Standard Reciprocal and Non-
Reciprocal Pole Attachment Agreements

DOCKET No. 10-035-97

**COMMENTS OF CROWN CASTLE
NG WEST INC (F/K/A NEXTG
NETWORKS OF CALIFORNIA,
INC.)**

Crown Castle NG West Inc, formerly known as NextG Networks of California, Inc., (“Crown”) respectfully thanks the Public Service Commission of Utah (“Commission”) for this opportunity to comment on the above referenced docket. Crown is a telecommunications provider holding a certificate of public convenience and necessity from the Commission, granted March 30, 2005 in docket number 04-2445-01. Crown had wanted to attach its facilities to the distribution poles belonging to PacifiCorp, doing business as Rocky Mountain Power, pursuant to the Safe Harbor agreement being submitted in the above referenced docket (the “Safe Harbor”); however, Crown does not find the terms of the Safe Harbor acceptable.

Therefore, Crown respectfully declines to enter into the Settlement Stipulation and will continue to work with Rocky Mountain Power on a separate agreement that deviates from the Safe Harbor in order to address Crown’s concerns, including without limitation those raised in Crown’s Comments submitted in Docket No. 10-035-43 on June 14, 2010, attached as Exhibit A.

RESPECTFULLY SUBMITTED this 7th day of August, 2012.

Crown Castle NG West Inc.

Natasha Ernst,
Government Relations & Utility Counsel
