Subject: Compliance Filing to Implement the Commission's Phase I Order on Revenue Requirement in Docket No. 09-035-23 (Cross Reference 10-035-T02 (10-02)).

Date: February 23, 2010

This filing was submitted in compliance with the Utah Public Service Commission's (Commission) Phase I Order on Revenue Requirement issued February 18, 2010, in Docket No. 09-035-23. The Commission's Phase I Order implemented a \$32.4 million increase in annual revenue requirement. As ordered by the Commission, Rocky Mountain Power (Company) has requested an effective date of February 18, 2010.

The Company has submitted proposed tariff pages for Schedules 98 and 193, as well as an Index Sheet. The Division has reviewed the Compliance Filing and verified their accuracy. Schedule 98, the Tariff Rider Rate, identifies the percentage increases applied to the monthly charges for each applicable schedule. A minor wording change in Schedule 193 added a reference for "and the applicable charge of Schedule 98" for completeness. In addition to filing updated tariff sheets with the Commission, the Division requests that the Company also provide updated copies to the Division.
