Request for Follow-up Review. On June 23, 2010, the Division filed a memo with the Commission addressing the Company's May 27, 2010, filing in this Docket. Upon review of the Division's memo the Commission requests further comment from the Division on the following issues: 1) Special Condition 4 on Sheet 135.4: Does the Division consider the Company's proposed 30 day notice requirement reasonable? If not, what notification period does the Division recommend; and 2) Special Condition 6 on Sheet 135.5: Please review whether R746-312-2 is the correct reference. If not, please provide the correct reference. Also, in addition to providing the correct rule reference to exemptions, please provide comment whether in the Division's opinion the proposed wording in Special Condition 6 should be enhanced to specify that exemptions to the disconnect switch location exist.
