Re: Compliance Filing, Docket No. 10-035-T04, Advice No. 10-04
Schedule 135, Net Metering Service

On May 26, 2010, Rocky Mountain Power filed proposed changes to Schedule 135, Net Metering Service. On June 30, 2010, the Commission approved the proposed changes, effective July 1, 2010, with one correction to the reference to the newly adopted Electrical Interconnection Rule (UAC R746-312) in Special Conditions 6 on Sheet 135.5. The correct reference is R746-312-4(2) (a) (ii). In compliance with the Commission's approval, Rocky Mountain Power submits Sheet 135.5 with that correction.

Enclosed for filing are an original and two copies of the corrected tariff page associated with Tariff P.S.C.U. No. 47 of Rocky Mountain Power applicable to electric service in the State of Utah. The Company will also provide an electronic version of this filing to tbehr@utah.gov.

Original Sheet No. 135-5

Schedule 135

Net Metering Service
