Subject: Compliance Filing assigned as Docket No. 10-035-T06 to Implement the Commission's Phase II Report and Order on Rate Design in Docket No. 09-035-23.

Date: June 22, 2010

This filing was submitted in compliance with the Utah Public Service Commission's (Commission) Phase II Report and Order on Rate Design (Order) issued June 2, 2010, in Docket No. 09-035-23. This compliance filing was also assigned Docket No. 10-035-T06. The Order approved a Stipulation on Non-Residential Rate Design and decided rate design issues for Residential Schedule Nos. 1, 2, and 3 as well as mobile homes, Schedule 23. This compliance filing also cancels Tariff Rider Rate Schedule 98. Rocky Mountain Power requested an effective date of June 8, 2010.

The Division has reviewed the compliance filing and verified that it is correct. The Division has noted a typographical error in Appendix 3, page 50, of the Commission's Order. Schedule No. 2's "All Add'l kWh (May-Sept)" new price should be 11.5361 cents to match Schedules Nos. 1 and 3.
