RE: Uranium One Ticaboo Inc. against Ticaboo Electric Improvement District
Interim Scheduling Order and Notice of Scheduling Conference
Docket No. 10-2508-01

The Commission held a scheduling conference in the above docket and subsequently issued a scheduling order on August 23, 2010. Division of Public Utilities personnel was contacted by Douglas Parry representing Uranium One Ticaboo, Inc. requesting a change in the schedule. The change was needed to accommodate their client's schedule for the mediation. All parties were contacted to reschedule a new date for the mediation.

The mediation that was scheduled for September 16, 2010 was held on September 22, 2010. By the end of the mediation it is the Division's belief that the parties are working towards a settlement. Based on that belief, the Division suggests that the Interim Scheduling Order and Notice of Scheduling Conference be suspended.
