RE: Docket No. 11-035-104
In the Matter of the Investigation into Extending and Expanding the Solar Incentive
Program and Possible Development of an Ongoing Program

In its September 6, 2012, letter in this docket, the Commission directed Rocky Mountain Power to file by September 11, 2012, the models and underlying data supporting the cost effectiveness analyses provided with the Company's August 10, 2012, filing. In compliance with the Commission direction, attached is confidential CD with the workpapers supporting the Cadmus cost effectiveness analyses provided as Exhibit D with the Company's application in this docket. The workpapers, which include Cadmus's proprietary calculations, are confidential and provided subject to Utah PSC Rule 746-100-16.

Informal inquiries may be directed to Dave Taylor at (801) 220-2923.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation & Government Affairs
