Re: In the Matter of the Application of ROCKY MOUNTAIN POWER for Approval of the Electric Service Agreements Between Rocky Mountain Power and Milford Wind Corridor I, LLC and Between Rocky Mountain Power and Milford Wind Corridor II, LLC

Rocky Mountain Power hereby submits for filing to the Public Service Commission of Utah ("Commission") an original and five (5) copies of its confidential responses to the Public Service Commission of Utah Orders issued April 7, 2011, in Docket No. 11-035-17 and Docket 09-035-55.

The responses contained within should supersede the live testimony given during the closed hearing on April 12, 2011. As noted during the hearing, Rocky Mountain Power was unsure of the exact accounting treatment of the revenue and expenses. Rocky Mountain Power has since verified the accounting information requested and the account numbers differ from the testimony previously provided.

Please contact Barbara Ishimatsu at (801) 220-4640 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Jeffrey K. Larsen".
