Docket No. 11-035-17

**Questions for PacifiCorp, dba Rocky Mountain Power,  
Regarding the Milford Wind II Energy Service Agreement  
May 24, 2011, Hearing**

Please provide responses to the questions issued in the Commission's April 7, 2011, order issued under this docket and the follow-up questions below. We restate the original question and provide follow-up inquiries.

**April 7, 2011, Question 1:**

Please provide a detailed description of the ratemaking/accounting treatment of this contract. Please include the following:

- a. Are the Milford Wind II contract loads included in Utah's retail loads for developing cost allocation factors (e.g., SE and SC allocation factors, etc.)?
- b. In what account(s) are the revenues from this contract recorded (including O&M charges)?
- c. In what account is the power purchase from LADWP recorded?

**April 7, 2011, Question 2:**

Please provide a comparison of the revenues earned from this contract with the total costs to serve this contract. For example, please compare the total contract revenues from the Milford Wind II contract with Utah's allocated share of the power purchased from LADWP for the Milford Wind II loads plus the interjurisdictional costs allocated to Utah to serve the Milford Wind II contract load (assuming the loads are included in Utah retail loads).
