Re: In the Matter of the Application of Rocky Mountain Power for Approval of the Power Purchase Agreement between PacifiCorp and Blue Mountain Wind 1, LLC

On November 10, 2011, Rocky Mountain Power submitted an Application for Approval of the Power Purchase Agreement between PacifiCorp and Blue Mountain Wind 1, LLC. It has recently come to Rocky Mountain Power's attention that Blue Mountain Wind 1, LLC, will not be able to meet the online date contained in the original power purchase agreement, dated November 8, 2011. Rocky Mountain Power and Blue Mountain Wind 1, LLC are currently negotiating a modification to the power purchase agreement.

Accordingly, Rocky Mountain Power respectfully requests that the Public Service Commission of Utah suspend the Application in the above-captioned matter until the parties have agreed to a modified power purchase agreement and filed it with the Commission for approval.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation
