Re: In the Matter of the Joint Petition of Rocky Mountain Power and Qwest Corporation dba CenturyLink For Approval of an Electronic Notification System for Pole Attachments per Docket No. 11-035-199

RECOMMENDATION:

Rocky Mountain Power and CenturyLink filed a joint motion to vacate the schedule in this Docket and approve the electronic notification system for pole attachments proposed by the parties. This motion is based upon the fact that there has only been one party that filed intervention in this Docket and no comments were filed opposing the use of the electronic notification system proposed by the joint parties. The Division concurs with the motion filed by Rocky Mountain Power and CenturyLink requesting the Commission vacate the proceedings and approve the use of Notify as an electronic notification system.

Barbara Ishimatsu, Rocky Mountain Power
Torry R. Somers, CenturyLink
