

11-035-200/Rocky Mountain Power  
May 18, 2012  
UIEC Data Request 15.41

Docket No. 11-035-200  
UIEC Exh. \_\_\_(JAL-3)

**UIEC Data Request 15.41**

Please state for the peak 100 hours by hour the incremental cost PacifiCorp forecasts it will pay for purchased power during the test period.

**Response to UIEC Data Request 15.41**

The Company has not performed the requested analysis. For the hourly loads and market prices in the test period please refer to the Company's Filing Requirements, specifically Confidential Attachment R746-700-23.C.1 -2, the files beginning "UTGRC12 – Load Forecast" and "1112 OFPC Confidential". For the hourly system balancing purchase power volumes and expense forecasted for the test period, please refer to Confidential Attachment UIEC 15.41.

Confidential information is provided subject to Utah PSC Rule 746-100-16.
