RE: In the Matter of the Application of Rocky Mountain Power for Authority to Increase Its Retail Electric Utility Service Rates in Utah and for Approval of Its Proposed Electric Service Schedules and Electric Service Regulations – Docket No. 11-035-200

Dear Mr. Widerburg:

Rocky Mountain Power (“Company”) hereby submits for filing a Joint Motion on Cost of Capital Testimony (“Joint Motion”) in the above referenced matter. The Joint Motion mistakenly contains a signature block for Utah Industrial Energy Consumers (“UIEC”) that is not needed because UIEC did not file cost of capital testimony in this case. In addition, the signature from the authorized representative of the Federal Executive Agencies will be filed tomorrow. An original and ten (10) copies of this filing will be provided via hand delivery. The Company will also provide electronic versions of this filing to psc@utah.gov.

Please contact me directly at (801) 220-4050 if you have any questions.

Sincerely,

Yvonne R. Hogle
Senior Counsel
