## REQUEST FOR TECHNICAL CONFERENCE

**To:** Public Service Commission  
**From:** Division of Public Utilities  
Chris Parker, Director  
Artie Powell, Energy Section Manager  
**Date:** November 2, 2012  
**Re:** Request for Technical Conference to Discuss RAP Report

The Division has cooperated with the Regulatory Assistance Project (RAP) in analyzing backup tariffs (Schedule 31) for electric ratepayers. RAP is in the process of finalizing its report and the Division requests that the Commission notice a technical conference so that representatives from RAP may present its analysis and findings to the Commission, Division, and other interested parties. The Division requests that the technical conference be set for November 28, 2012 at 1:30 pm. The Division also requests that notice of the technical conference be provided to at least the intervening parties in the most recent PacifiCorp rate case.
