RE: In the Matter of the Application of PacifiCorp, by and through its Rocky Mountain Power Division, for Approval of a Solicitation Process for an All-Source Resource for the 2016 Time Period – Docket No. 11-035-73

Dear Mr. Widerburg:

In accordance with page 6 of the Commission's order issued January 3, 2012 in the above referenced docket, Rocky Mountain Power ("Company") hereby informs the Commission that the deadline of September 10, 2012 for completion of the final short list will not be met due to the fact that vendor supplied upgrades and updates to the Company's IRP modeling tools have encountered obstacles that will delay their in-service date. As a result, the Company will instead utilize its existing modeling tools and anticipates it will complete the final shortlist by September 21, 2012. The Company anticipates completing and filing the results of the evaluation of best and final bids and final shortlist as well as the updated needs assessment by the end of September.

The Company respectfully requests that all formal correspondence and requests for additional information regarding this matter be addressed to the following:

By E-mail (preferred): datarequest@pacificorp.com
dave.taylor@pacificorp.com

By regular mail: Data Request Response Center
PacifiCorp

Informal inquiries may be directed to Dave Taylor at (801) 220-2923.

Sincerely,

Yvonne R. Hogle
