Re: Docket No. 11-035-75: In the Matter of the Request of Rocky Mountain Power for Major Event Exclusion for the Weather-Related Events that Occurred on April 3, 2011 – Major Event 24

Dear Mr. Larsen:

On May 3, 2011, the Public Service Commission received your Major Event Report claiming major event exclusion for the storm-related event of April 3, 2011 (April Outage), and indicating Rocky Mountain Power will exclude outage information for this event from its network performance reporting and from customer guarantee failure payments.

On June 9, 2011, the Utah Division of Public Utilities filed a memorandum detailing its investigation of the April Outage and recommending the Commission approve your application for major event exclusion. On July 20, 2011, the Division filed a memorandum updating the cost table contained in its July 9th memorandum.

By this letter, the Commission acknowledges receipt of your filing of May 3, 2011, as well as the Division's recommendation, and the April Outage is, therefore, approved as a Major Event. The Commission contemplates no further action in this docket.

If you have further questions or comments, I can be reached by phone at (801) 530-6716 or email at jorchard@utah.gov.

Sincerely,

/s/ Julie Orchard
