

ELECTRIC SERVICE SCHEDULE NO. 4 - Continued

1. Inspections (continued)

(N)

- a. Post-Construction Inspection:** One of the following three fees is applicable to each application to attach to the Company's poles or when a Licensee wishes to modify an existing attachment to verify that installation has been completed as outlined in the Licensee application and as approved by the Company.

i. Level 4 (Visual Inspection)

Charge: \$31.30 first pole; \$17.65 each pole thereafter in the same application.

A Level 4 inspection is defined as a "drive by" that does not require the inspector to exit the vehicle and are intended to identify that the Licensee has complied with the engineering data provided in the Application form. This level of inspection may also be used for all applications for removal of attachments, unless the removal has resulted in damage to the pole in which case additional fees to assess the damage may apply.

ii. Level 5 (Measured Inspection)

Charge: \$41.20 first pole; \$30.40 each pole thereafter in the same application.

Level 5 inspections are most commonly performed when it appears that the Licensee has failed to perform construction in accordance with the specifications on the application, has created a safety or clearance violation, or has attached to the pole prior to receiving approval from the Company.

iii. Level 6 (Pole Analysis Inspection)

Charge: \$88.55 first pole; \$75.90 each pole thereafter in the same application.

Level 6 inspections are most commonly performed when it appears that the Licensee has attached to a pole prior to receiving approval from the Company or when an attachment appears to have compromised the integrity of the existing structure.

2. Unauthorized Attachment Charge: \$100.00 + Back Rent, per Pole

This fee is applicable when the Company discovers a Licensee attachment on a company owned pole where the Company has no record of approving the attachment. Back Rent shall consist of 5 years of rent at the current rental rate unless credible evidence supports a lesser period.

3. Topping Fee: \$64 per Pole

This fee is applicable when the Company replaces a pole with an existing Licensee attachment and the transfer of the attachment or the safety of the Licensee's workers requires the Company to remove the top of the pole.
