Attorney for Rocky Mountain Power

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Tariff Advice Letter of Rocky Mountain Power Proposing a Reduction to the Schedule 193 Tariff Surcharge	DOCKET NO. 11-035-T14
--	-----------------------

**JOINT MOTION FOR AN
FOR AN EXTENSION OF HEARING DATE**

Rocky Mountain Power, a division of PacifiCorp, (“Rocky Mountain Power” or “PacifiCorp”), hereby moves the Public Service Commission of Utah (“Commission”) for an extension of the hearing date currently scheduled in this Docket for January 12, 2012. Rocky Mountain Power is authorized to represent that the other parties to this Docket, the Utah Division of Public Utilities, the Office of Consumer Services, the Utah Association of Energy Users, Utah Clean Energy, Western Resource Advocates, and the Southwest Energy Efficiency Project (collectively, the “Parties”) have reviewed and join in this Motion. In support of this Motion, Rocky Mountain Power states as follows:

1. On November 23, 2011, Rocky Mountain Power (the “Company”) submitted its Tariff Advice No. 11-13 (the “Application”) proposing a reduction to the Schedule 193 tariff surcharge. This matter was subsequently assigned to Docket No. 11-035-T14.
2. On December 19, 2011, the Commission issued an order suspending the advice letter and setting the matter for hearing on January 12, 2012.
3. On January 6, 2012, the Parties met to discuss settlement of this proceeding. At that meeting the Parties reached agreement on a framework for settlement, but details are still being reviewed and discussed by the Parties. The Parties are meeting again January 11, 2012, to continue settlement discussion and finalize the Stipulation.
4. While the Parties believe that a settlement agreement will be reached, there will not be sufficient time for the Parties to finalize the terms of the stipulation January 11, 2012, and file the agreement for review by the Commission in time for the hearing January 12, 2012.
5. Accordingly, the Parties request that the Commission vacate the January 12, 2012, hearing date and order an extension of the hearing date until the Parties file the stipulation with the Commission together with a request for hearing on a mutually agreed upon date. Alternatively, if the Parties are unable to reach settlement, they request the Commission order an extension of the hearing date until the Parties are able to reach agreement on a date for a contested hearing on the Company’s original Application.

WHEREFORE, Rocky Mountain Power requests the Commission order an extension of the currently scheduled hearing date until the Parties file the stipulation with the Commission together with a request for a new hearing date, or until the Parties submit an agreed-upon date for a contested hearing.

DATED this 11th day of January 2012.

Respectfully submitted,

Daniel E. Solander
Senior Counsel
Rocky Mountain Power
