Re: Docket No. 11-2035-01, In the Matter of PacifiCorp's 2011 Integrated Resource Plan

Dear Mr. Widerburg:

On January 31, 2012, Rocky Mountain Power ("Company") filed a revised version of PacifiCorp's 2011 Integrated Resource Plan ("IRP") Action Plan ("Revised Action Plan") requesting that the Commission acknowledge the Company's 2011 IRP, based on the Revised Action Plan. On February 2, 2012, the Company filed a second letter withdrawing the original request, and clarifying that the filing of the Revised Action Plan was made for informational purposes only. With this letter, the Company hereby withdraws both filings.

The Company respectfully requests that the Commission continue to consider acknowledgement of the 2011 IRP based on the original Action Plan filed within the 2011 IRP. The Company intends to file the Revised Action Plan as part of the update to the 2011 IRP, once the Commission issues an order in this docket.

Please feel free to contact Stacey Kusters at 503.813.5351 or me at 801.220.4050 if you have any questions.

Sincerely,

Yvonne R. Hogle
