ISSUED: October 27, 2014

On August 22, 2014, PacifiCorp, dba Rocky Mountain Power (“PacifiCorp”) filed its quarterly compliance filing for avoided cost input changes for the second quarter of 2014 (“Report”) in Docket No. 14-035-40. On September 22, 2014, the Division of Public Utilities (“Division”), the Office of Consumer Services, Utah Clean Energy, and SunEdison, LLC filed initial comments on the Report. The majority of those parties requested the Public Service Commission of Utah (“Commission”) hold a scheduling conference to discuss a process and schedule for this docket going forward. On October 6, 2014, the Commission convened a scheduling conference (“October Scheduling Conference”) and issued a notice of status and scheduling conference to be conducted by the Commission’s designated Presiding Officer on Thursday, November 6, 2014, at 2:00 p.m. (MST), Fourth Floor Room 401, Heber M. Wells Building, 160 East 300 South, Salt Lake City, Utah.

On October 9, 2014, PacifiCorp filed its capacity contribution study for wind and solar resources (“Study”) in compliance with the Commission’s August 16, 2013, Order on Phase II Issues in Docket No. 12-035-100, captioned above. On October 14, 2014, the Division filed a memorandum (“October Memorandum”) in response to PacifiCorp’s compliance filing recommending the Commission open a new docket that combines review of the Study in Docket No. 12-035-100 with the issues raised by parties on the Report in Docket No. 14-035-40. The Division states this will allow for a comprehensive review of the issues surrounding PacifiCorp’s Electric Service Schedule No. 38 “Qualifying Facility Procedures” (“Schedule 38”).

In its October Memorandum, the Division explains parties discussed the various issues raised regarding Schedule 38 at the October Scheduling Conference and agreed these issues and the review of PacifiCorp’s Study should be combined into a new docket for comprehensive consideration of issues related to Schedule 38. The Division represents it agreed to file a memorandum requesting the Commission open such a docket. The Division states parties agreed at the October Scheduling Conference that parties should file comments by October 31, 2014, listing the issues that should be addressed in the new docket.

In response to the Division’s request, the Commission opens Docket No. 14-035-140, captioned above. The **Status and Scheduling Conference previously noticed in Docket No. 14-035-40 for Thursday, November 6, 2014, at 2:00 p.m. (MST), Fourth Floor Room 401, Heber M. Wells Building, 160 East 300 South, Salt Lake City, Utah, will take place as scheduled** but in this new docket. Parties interested in filing comments listing the issues to be

addressed in Docket No. 14-035-140 may do so as discussed in the October Scheduling Conference by **Friday, October 31, 2014.**
