Docket No. 08-035-T04**

Enclosed for filing is Rocky Mountain Power's Revised Customer Owned Generation and Net Metering Report and Attachment A for the period April 1, 2011 through March 31, 2012. This report is submitted in compliance with Docket 08-035-T04 and R746-312-16.

On September 21, 2012, the Division of Public Utilities (Division) released a Recommendation where they suggested that the initial report be Acknowledged with Corrections. In the filing the Division sought to have the Company clarify some discrepancies in the data and provide the data in a modified format. This filing attempts to address the Divisions concerns.
