Commission Secretary

Re: Docket No. 08-999-05 – Corrected Smart Grid Monitoring Report

On July 6, 2012, Rocky Mountain Power filed its 2012 Smart Grid Annual Report in the above referenced docket with a corrected report filed July 31, 2012. Rocky Mountain Power hereby submits Utah Addendum II to that report. In response to suggestions of the Division of Public Utilities, Utah Addendum II provides a discussion a status update on the electromechanical battery energy flywheel technology pilot project as well as an update on electric vehicle penetration and vehicle-to-grid technology. The Company will also provide an electronic version to [psc@utah.gov](mailto:psc@utah.gov) and a confidential electronic version of this filing on CD.

Utah Addendum II to the 2012 Annual Smart Grid Report contains information that is commercially sensitive to Rocky Mountain Power and are confidential. Accordingly, Rocky Mountain Power is filing the confidential documents and workpapers under seal pursuant to R746-100-16, and requests that the Commission require any party who wishes to view these documents execute a Confidential Information Certificate.

It is respectfully requested that all formal correspondence and staff requests regarding this matter be addressed to:
