RE: WITHDRAW of Request for Agency Action – Power Purchase Agreement between Cottonwood Hydro, LLC & PacifiCorp dated, December 14, 2011

On October 18, 2012, FERC issued their jurisdictional determination to Cottonwood Hydro, which declared that licensing is not required. Therefore, the PPA milestones have been met and Cottonwood Hydro would like to respectfully withdraw the request for agency action filed with the Commission on August 1, 2012.

Thank you for your help with this matter.

Respectfully Submitted,
