**BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH**

---

**IN THE MATTER OF THE VOLUNTARY  
REQUEST OF ROCKY MOUNTAIN  
POWER FOR APPROVAL OF  
RESOURCE DECISION TO CONSTRUCT  
SELECTIVE CATALYTIC REDUCTION  
SYSTEMS ON JIM BRIDGER UNITS 3  
AND 4**

**Docket No. 12-035-92**

**MEMORANDUM OF UTAH  
ASSOCIATION OF ENERGY  
USERS IN PARTIAL SUPPORT OF  
MOTION FOR CONTINUANCE**

---

Pursuant to Rule R746-100-4 D, the Utah Association of Energy Users (“UAE”) files this memorandum in partial support of the Sierra Club’s Motion for Continuance.

UAE has no basis at this time to determine or challenge the accuracy of claims by Rocky Mountain Power (“RMP”) that it has no option but to proceed with the Jim Bridger SCR project sometime this Spring. Given this lack of information, UAE is not prepared to support a long-term postponement of the hearing.

On the other hand, UAE also cannot predict at this time whether the EPA's March 29, 2013 proposed BART determination relating to these units might include information or potential costs that could impact the prudence of RMP proceeding with the SCR project. Thus, UAE recommends that the Commission not issue a final order following the scheduled March 7-8, 2013 hearings in this matter until after the parties have been given an opportunity to review the EPA's proposed BART determination to be issued by March 29, 2013, and to submit to the Commission any pertinent additional information or requests for further proceedings as a result of the proposed BART determination.

UAE is confident that providing the parties with such an opportunity will not delay timely implementation of the SCR project, given that the Wyoming hearings on the SCR project are not scheduled until March 26-28, 2013.
