Docket No. 12-035-92

**SIERRA CLUB NOTICE OF INTENT NOT TO FILE A REPLY BRIEF  
ADDRESSING EPA RULING**

The Sierra Club hereby notifies the Commission that it will not file a reply brief addressing the pending EPA ruling on Wyoming's proposed Regional Haze State Implementation Plan (SIP) submittal. As discussed in the Sierra Club's April 5, 2013 post-hearing brief addressing this issue, EPA and the other litigants in *WildEarth Guardians v. Jackson*, Case 1:11-cv-00001-CMA-MEH (D. Colo.) have agreed to extend the deadline for EPA's proposed action on Wyoming's SIP submittal. As a result of the extension, EPA has not yet taken any action on the submittal, and its ruling is still pending. As such, there are no new facts related to this issue that require discussion in a reply brief. The Sierra Club has already provided an extensive discussion of the consequences of EPA's pending ruling in its April 5, 2013 brief, and believes that this discussion thoroughly addresses the issue. Accordingly, the Sierra Club reaffirms the contentions set forth in its initial brief and notifies the Commission that it will not file a reply brief addressing EPA's pending ruling.

DATED this 19th day of April, 2013.

Respectfully submitted,
