 Other – Explanation and Statement of Issues to be Addressed (See Below):

In Rocky Mountain Power's (Company) August 30, 2012, cover letter for the July 13, 2012, Major Event report it indicates it is providing SAIDI, SAIFI, and MAIFI figures for this event. Contrary to major event reports filed for major events occurring through 2011, however, the Customer Analysis and the SSM Analysis for this major event do not provide MAIFI data, rather CAIDI has been substituted. Please investigate the reason for the Company making this change, evaluate its reasonableness, and provide comment on whether momentary interruption data should be reported for Major Events.
