MEMORANDUM

To: Utah Public Service Commission
From: Division of Public Utilities
Chris Parker, Director
Artie Powell, Manager, Energy Section
Charles Peterson, Technical Consultant
Subject: Request for extension of comments due on Rocky Mountain Power's Major Event Report—July 13, 2012, Docket No. 12-035-93.

Date: September 26, 2012

REQUEST

The Division of Public Utilities (Division) requests that the Commission extend the deadline for comments on the above referenced Docket to Tuesday, October 16, 2012.

EXPLANATION

On August 30, 2012, the Commission issued an Action Request with a due date of September 28, 2012 on this matter. On September 18, 2012 the Commission issued an Amended Action Request with the same due date. The Division issued a formal data request to Rocky Mountain Power (Company) on September 6, 2012, and an informal data request following the Commission's Amended Action Request. The Division received responses to its data requests late on September 25, 2012. However, the Division needs additional time to evaluate these responses from the Company and to complete its analysis for the Commission's Action Request. Therefore, the Division respectfully requests that the due date for its response to the Action Request be postponed to October 16, 2012.
