**Re: In the Matter of the Request of Rocky Mountain Power for Major Event Exclusion for the Weather-Related Event that Occurred on September 1, 2012 – Major Event 30
Docket No. 12-035-98**

Dear Mr. Larsen:

On October 1, 2012, the Public Service Commission received your Major Event Report requesting major event exclusion for the storm-related event of September 1, 2012, and indicating Rocky Mountain Power will exclude outage information for this event, if approved, from its network performance reporting and from customer guarantee failure payments.

On October 30, 2012, the Utah Division of Public Utilities filed a memorandum detailing its investigation of this event and recommending the Commission approve your application for major event exclusion.

By this letter, the Commission acknowledges receipt of your filing of October 1, 2012, as well as the Division's recommendation, and it is, therefore, approved as a Major Event. The Commission contemplates no further action in this docket.

If you have further questions or comments, I can be reached by phone at (801) 530-6716 or email at gwiderburg@utah.gov.

Sincerely,

/s/ Gary L. Widerburg
