Re: Docket No. 12-035-T03 Compliance Filing

On May 4, 2012, the Commission issued its order in the above referenced docket approving the tariff sheet modifications and that PacifiCorp (“Company”), d/b/a Rocky Mountain Power further modify the tariff language per recommendations made by the Division of Public Utilities (“Division”) and file corrected tariff sheets for compliance review. However, in their comments, the Division only reiterates modifications to the tariff language that were already made in the original filing by the Company; the Division did not recommend any additional language changes. Therefore any language modifications discussed by the Division in its approval recommendation have already been incorporated into the tariff sheets.

Rocky Mountain Power respectfully requests that all formal correspondence and staff requests regarding this filing be addressed to:

By e-mail (preferred): datarequest@pacificorp.com

 beau.brown@pacificorp.com

By regular mail: Data Request Response Center

Informal inquiries may be directed to Dave Taylor, regulatory manager, at (801) 220-2923.

Sincerely,

Carol L. Hunter
