ISSUED: June 21, 2012

By The Commission:

On May 22, 2012, PacifiCorp (“Company”), d/b/a Rocky Mountain Power, filed an application to modify Schedule 110, the ENERGY STAR New Homes program (“Program”). In its filing, the Company requests an effective date of July 1, 2012. Also on May 22, 2012, the Commission issued an Action Request to the Division of Public Utilities (“Division”) for a review of the Company’s application.

The above mentioned Action Request specified a due date to the Division of June 25, 2012, which is beyond the 30-day tariff review period specified by Commission rule. To ensure there is sufficient time necessary to review the Division’s recommendation, the Commission hereby suspends the tariff filing pending the results of the Division’s investigation and Commission review. Based upon the comments received, the Commission will determine whether a formal hearing will be necessary prior to issuing the final order in this matter.
