Re: Docket No. 12-035-T07 Compliance Filing

On June 27, 2012, the Commission issued its order in the above referenced docket approving the tariff sheet modifications and that PacifiCorp (“Company”), d/b/a Rocky Mountain Power further modify tariff language per recommendations made by the Division of Public Utilities (“Division”) and Office of Consumer Services (“Office”).

Second Revision of Sheet No. 110.2	Schedule 110	New Homes Program
Second Revision of Sheet No. 110.4	Schedule 110	New Homes Program

The purpose of this filing is to comply with Commission order to file the appropriate tariff sheets reflecting the Division’s and Office’s proposed additional tariff modifications. Both the Office and Division recommend the Company remove the ENERGY STAR program name designation on tariff sheets 110.2 and 110.4. Further, they recommend the Company should change the submission requirement date on tariff sheet 110.4 to January 1, 2013.
