

**ROCKY MOUNTAIN POWER
ELECTRIC SERVICE SCHEDULE NO. 118**

STATE OF UTAH

Low Income Weatherization

APPLICABLE: This tariff is applicable to residential customers residing in single family, multi-family and manufactured home dwellings in all territory served by the Company in the state of Utah.

ELIGIBLE: Rocky Mountain Power customers in the state of Utah that are certified as eligible according to the Utah Department of Community and Culture's (DCC) Weatherization Assistance Guidelines. Income eligibility is based on current requirements set by DCC. Company will direct interested Customers to the participating agency in their county. Agencies will provide program details and enrollment directions.

PURPOSE: Service under this schedule is intended to maximize the efficient utilization of the electricity requirement of existing residential use dwellings or facilities inhabited by customers that meet income guidelines through the installation of cost-effective energy efficient materials.

DESCRIPTION: Service under this program is available to improve the energy efficiency of applicable residential use dwellings or facilities connected to Company's system. The decision to extend service under this schedule shall be based on eligibility requirements contained herein.

DEFINITIONS:

Dwelling: Real or personal property within the state inhabited as the principal residence of a dwelling owner or a tenant. "Dwelling" includes a manufactured home, a single-family home, duplex or multi-unit residential housing. "Dwelling" does not include a recreational vehicle.

Duplexes and fourplexes are eligible if at least one-half of the dwelling is occupied by low income tenants.

Triplexes and multi-family dwellings are eligible if at least 66% of the units are occupied by low income tenants.

Facilities: Housing facilities whose principal purpose is to house, on a temporary basis, individuals who may or may not be related to one another and who are not living in nursing homes, prisons, or similar institutional care facilities
