
ELECTRIC SERVICE SCHEDULE NO. 126 - Continued

DEFINITIONS: (continued)

consumption. M&V may be performed with either temporarily or permanently installed data logging equipment. M&V results are subject to Program Administrator approval.

Owner: The person who has both legal and beneficial title to the real property who is the mortgagor under a duly recorded mortgage or the grantor under a duly recorded deed of trust or a purchaser under a duly recorded agreement with respect to such real property.

Program Administrator: A qualified person or entity hired by the Company to administer this Schedule.

Re-Commissioning Agreement: An agreement between Owner or Customer and Company providing for Program Administrator to furnish Re-Commissioning Services with respect to this Schedule and providing for Re-commissioning Project Incentives as described in this Schedule, including the incentive amount to be paid by the Company to reduce the simple payback period to one year if deemed appropriate by the Program Administrator, and the obligations required of the Owner or Customer to receive the incentives.

Re-Commissioning Project Incentives: Re-Commissioning services and, if deemed appropriate by the Program Administrator, Company paid incentives as described in this Schedule.

Re-Commissioning Measure (RCM): A low-cost or no-cost change or addition to a facility or system that will improve energy efficiency without adversely affecting the operation of the facility or system.

Re-Commissioning Project: One or more RCMs and associated Re-Commissioning Services that have been approved by the Program Administrator.

Re-Commissioning Service Provider (RSP): A firm or individual with experience in offering building re-commissioning services, performing detailed electric energy savings calculations who is under contract with the Program Administrator to provide Re-Commissioning Services. The Program Administrator will develop and maintain specific contracts for individuals or firms whose regular business includes equipment sales, installation, and/or service.
