

ROCKY MOUNTAIN POWER
ELECTRIC SERVICE REGULATION NO. 3
STATE OF UTAH

Electric Service Agreements

1. APPLICATION FOR SERVICE

Each Applicant for service may be required to sign the Company's standard application for electric service or a contract before service is supplied by the Company. For electric service in large quantity or under special conditions, the Company may require a suitable written agreement or special contract. No such agreement, contract or any modification thereof shall be binding upon the Company until executed by a duly authorized representative. Executed agreements and contracts shall be to the benefit of and be binding upon the heirs, administrators, executors, successors in interest and assigns of the Company and of the Customer.

In any case where two or more parties join in one application for electric service, such parties shall be jointly and severally liable thereunder, and only one bill shall be rendered for electric service supplied in accordance therewith.

When a change of occupancy occurs, notice of such change must be given to the Company prior to the date of such change. The outgoing Customer will be held responsible for all service supplied at the location until such notice has been received by the Company.

Transfer of service requires that the person to whom the service is to be transferred make application to the Company, qualify as a Customer and agree to assume responsibility for the billing for service, including minimums, from that date forward.
