Compliance Filing to Implement the Commission's order approving the Solar Incentive Program  
(Cross Reference 12-035-T14)

Date: October 17, 2012

---

### RECOMMENDATIONS (Approval)

The Division has reviewed the Compliance Filing and verified its accuracy. The Division recommends the Commission approve the compliance filing. Rocky Mountain Power (Company) has requested an effective date of October 12, 2012.

## **ISSUE**

The Company submitted the tariff pages on October 9, 2012 with a proposed effective date of October 12, 2012. On October 11, 2012, the Commission issued an Action Request for the Division to review the tariff filing for compliance and report its findings and recommendation to the Commission as soon as possible. This memorandum represents the Division's response to the Commission's Action Request.

## **DISCUSSION**

This filing submits tariff revisions in compliance with the Commission's Report and Order in Rocky Mountain Power's 2012 General Rate Case, Docket 11-035-200 dated September 19, 2012, the Commission's order on the interim rate process in Dockets 12-035-67 and 11-035-T10 dated August 30, 2012, the Commission's approval letter on the Home Energy Savings Program, Docket 12-035-T12, dated October 1, 2012, and the Commission's order approving the Solar Incentive Program, Docket 11-035-104, dated October 1, 2012. The Company has requested an effective date of October 12, 2012.

The Company has submitted proposed tariff pages for only the pages that included changes. A Tariff Index Sheet was also included. The Company states that a complete new tariff book was included in this filing. The Division was unable to locate a new tariff book. The Division recommends the Company file with the Commission a complete new tariff book as soon as possible. In addition to filing updated tariff sheets with the Commission, the Division requests that the Company also provide updated copies to the Division.

The Division recommends the following minor correction. Line number 5 is repeated from page 11.4 to page 11.5 on tariff Schedule 11 - Street Lighting. The line numbers on page 11.5 need correction. It was also noted during the Division's review that the Company updated the tariff Schedules on PacifiCorp's web page on October 12, 2012.

**CONCLUSION**

The Division has reviewed the Compliance Filing and verified its accuracy. The Division recommends the Commission approve the compliance filing.
