RE: Docket No. 12-035-T15

The primary concern of these edits is to clarify that systems designed to be compliant with Section 54-2-1(16)(d) of the Utah Code are eligible to participate in the Solar Incentive Program.

Dear Mr. Taylor:

The Commission has reviewed the proposed tariff revisions transmitted on December 4, 2012.

The Division and the Office have recommended that the Commission accept the revisions in the above named tariff with corrections to Sheet No. 107.2 and 107.3 - 7. Now therefore, the revisions, including the Division and Office corrections, with an effective date of January 1, 2013, are hereby approved by the Commission.

Sincerely,

/s/ Gary L. Widerburg
Commission Secretary
