Subject: Garkane Energy's Revised Rate Schedules - Docket No. 13-028-T01

ISSUE:

On January 2, 2013, Garkane Energy Cooperative, Inc., (Garkane) filed with the Utah Public Service Commission, (Commission) revised Rate Schedules No. 33, Net Metering Service (Residential) and No. 34, Net Metering Service (General Service). On January 4, 2013 the Commission issued an Action Request to the Division of Public Utilities (Division) to investigate the tariff filing.

RECOMMEND ACKNOWLEDGEMENT:

The Division recommends the Commission acknowledge Garkane's revised rate schedules Nos. 33 and 34, with an effective date of January 1, 2013, and make them available for public inspection.

DISCUSSION:

On January 1, 2013, Garkane filed with the Commission revised Rate Schedules No. 33, Net Metering Service (Residential) and revised Rate Schedules No. 34, Net Metering Service (General Service) with an effective date of January 1, 2013.

The revised rate schedules added additional wording to each rate schedule which provide more clarity to the terms and conditions required to qualify for service under each applicable schedule. The rates charged for service under each schedule did not change from the current rates.

The Division recommends the Commission acknowledge the revised Rate Schedules Nos. 33 and 34 of Garkane Energy Cooperative, Inc., effective January 1, 2013, and make them available for public inspection.
