

DPU Data Request 7.1

- (a) Please provide the confidential version of the 2013 PacifiCorp Integrated Resource Plan (IRP).
- (b) Page II-30 of the PacifiCorp Depreciation Study (Exhibit RMP___(JJS-2) shows the Gadsby Steam production units retiring in 2022. However on page 227 of the public version of the PacifiCorp 2013 IRP we have not been able to locate data showing the Gadsby Steam production units retiring in 2022, or any year at least through 2032. In the data on page 227 of the public version of the PacifiCorp 2013 IRP are the Gadsby Steam production units still in service at least through 2032?
- (c) If the answer to part (b) is no, then when were the Gadsby Steam production units considered to retire in the data on page 227 of the public version of the PacifiCorp 2013 IRP, and where does that retirement show up in the data on page 227 of this IRP?

Response to DPU Data Request 7.1

- (a) The 2013 Integrated Resource Plan (IRP) comprises three volumes; only Volume III is confidential. Please refer to Confidential Attachment DPU 7.1, which provides a copy of Volume III of the 2013 IRP report.
- (b) Yes, the Gadsby steam units are assumed to be available through end of the IRP study period.
- (c) Please refer to the Company's response to subpart (b) above.

Confidential information is provided subject to Utah PSC Rule 746-100-16.
